

# Green Planet Daycare Snowday Policy

## **Procedures:**

The decision to close daycare due to accumulating snowfall is ultimately the responsibility of the superintendent, who must balance the safety of children, staff and parents.

If the daycare is open and weather conditions quickly deteriorate and daycare must close during normal hours of operation, parents will be called and required to pick up their children as soon as possible.

Please be aware that if the daycare is closed or should close prior to regular closing hours, there will be no reimbursement or credit of childcare fees.

## Criteria Used to Determine a Closure

- The 43 District School Board is closed
- Staff are unable to make a safe drive to work
- No power or water at the Centre
